

PARKING INDUSTRY AWARDS 2022

Parking Australia is pleased to announce the Call for Entries for the 2022 Parking Industry Awards. The Awards celebrate the achievements of individuals, teams and organisations in the parking industry.

On Wednesday 16 November 2022, Parking Australia will host an evening of celebrations acknowledging the outstanding contributions of the parking industry.

The Award categories are:

1. Outstanding Sustainable Car Park
2. Outstanding Customer Service
3. Excellence in Technology and Innovation – On Street
4. Excellence in Technology and Innovation – Off Street
5. Outstanding Marketing and Communications
6. Parking Young Achiever
7. Parking Organisation of the Year*

*(To win this category entrants must also be a finalist in one of the other categories).

RULES & JUDGING GUIDELINES

The process is completely online from the application to the submission, as well as the reviewing/assessment of the applications by our team of Judges.

Judging guidelines

1. Each entry will be judged in the defined category using the criteria listed and assigning the points allocated. Parking Australia reserves the right to re-categorize entries if deemed appropriate.
2. The car park or innovation must be in Australia and be completed, and in use by Australia motorists.
3. The entries will be sorted by category entered and classification. Each category will be assigned to a team of judges who will assess the entries independently. The Judges will make their assessment online and scores will be averaged for a final score out of 100 points.
4. To reach **finalist stage a minimum score of 70** will need to be achieved. The top scoring entries in each category will determine the winning recipient of that award. In the case of tied scores, both entries would receive the same level award.
5. Each Judge is encouraged to not only score but provide written feedback so that this can be presented to the entrants post awards. Judges' details will not be revealed unless the particular judge requests this.
6. The Chair of Judges has the right to assign a submission to another category, if they believe this is appropriate to do so.

Category – Outstanding Sustainable Car Park

To qualify the parking facility and/or sustainable adaptations must have been completed after 01 January 2020 and be operational at time of entry to the awards.

<p>Assessment criteria</p> <p>Applicant's description (max 2500 words for all criteria – bullet points are provided as an indicative guide to responses)</p>
<p>ENVIRONMENTAL IMPROVEMENT OR IMPACT (35%)</p> <ul style="list-style-type: none"> Outline the function and/or improvements and provide a clear statement regarding the sustainability measures in place, with clear identification of 'Before' vs. 'After' gains (where applicable) Environmental indicators e.g., energy saving, water and waste reductions, GHG emissions reduction Contribution to quality of urban space Government legislation or environmental building guidelines identified and achieved e.g. BCA lighting standard, green star rating Any recycled materials used and/or products waste recycling

Category – Parking Young Achievers Award

This Award recognises those aged 16 to 35 who are outstanding and exceptional young professionals working in the parking industry and their contribution to improving the customer experience and image of parking. This award will not be made to the same person twice.

The judges will be looking for the following:

- A clear commitment to working in parking as a career
- Examples of ‘doing the extra things’ that result in outstanding performance
- Consistent application of good practice
- Excellence as a representative of the parking industry to the customer/local community
- Undertaking training in subjects and skills relevant and helpful to their parking role
- Active membership of professional bodies and initiatives (PA committees, transport institutions, charity)

Assessment criteria (max word count of 2000 for all criteria)
OVERVIEW OF THE NOMINEE (20%) Provide a brief overview of the nominee, highlighting their outstanding attributes. Include a brief history of their career in parking, including a description of their current employment. (500 words)
PERSONAL COMMITMENT & EXAMPLE OF ACTIVITIES (40%) Provide specific examples of activities resulting from the nominee’s performance that have demonstrated leadership and how they have the potential to be a future leader in the parking industry. (750 words)
BENEFITS TO THE PARKING INDUSTRY (40%) Outline the degree of personal involvement that the nominee has committed to the industry, the success resulting from that involvement and the long-term benefits to parking as determined by the ongoing nature of a particular achievement or success. (750 words)
UPLOADS TO SUPPORT SUBMISSION
RESUME AND RECOMMENDATIONS (REQUIRED) – Provide PDF file of nominee resume and up to 5 letters of recommendation
IMAGES (REQUIRED) – upload ten high resolution images of the nominee (1920 x 1080 px) JPGs, or PNGs.
PROOF OF AGE (REQUIRED) – A copy of the nominee’s driver’s license or passport that verifies entrant was/will be 35 years (or less) of age during the qualifying period 1 July 2021 to 30 June 2022.
VIDEO OR MEDIA CLIPPINGS (REQUIRED) – Audio file or video file, highlighting the nominee’s strengths (maximum 2 minutes). The video will also be used to showcase your submission at the awards ceremony. Should you require any assistance with your video, please contact Parking Australia on paa@parking.asn.au .

TOTAL POINTS = 100

Category – Parking Organisation of the Year

This award will be given on the basis of the overall information provided, not by individual scoring of each section. It should be noted that this category is open to anyone involved in the parking industry, whether it is a parking operator or supplier.

**To win this category entrants must also be a finalist in one of the other categories.*

Assessment criteria
STATEMENT by the organisation: Provide a maximum 1000-word statement discussing the organisation and why it deserves recognition, including a list of products/programs/services offered.
TESTIMONIALS From at least two of the following: <ul style="list-style-type: none">• A staff member or team working in the organisation (not senior management or proprietor)• Customers or clients for recent projects• Customer satisfaction survey data
